

BINDURA UNIVERSITY OF SCIENCE EDUCATION

Applications are invited from suitably qualified and experienced candidates for the following posts:

2.1.2 Lecturer/Senior Lecturer/Associate Professor/Professor: Mathematics Education (1 Post)

Qualifications and Experience

- Applicants must preferably be holders of a PhD in Mathematics Education or equivalent from a recognised institution;
- A Masters degree and a proven track record of research publication in refereed journals would be an added advantage;
- Applicants studying towards a PhD in Biology Education would also be considered for the post.

Duties and Responsibilities

The successful candidate shall be expected to:

- Teach Mathematics Education courses at Undergraduate and Post-Graduate levels;
- Contribute to the mandate of the University through teaching, research, University/community service, innovation and industrialisation;
- Supervise projects and dissertations at all levels, carry out research individually and in clusters;
- Assess and supervise students on Teaching Practice and carry out extension work.

NB: Female candidates are encouraged to apply. Police clearance is mandatory for successful candidates.

APPLICATION PROCEDURES:

Interested and qualified persons should send one set of their application merged in continuous pdf format to **recruitment@buse.ac.zw** consisting of the application letter, certified copies of educational certificates, transcripts, National ID, Birth Certificate and a Curriculum Vitae giving full personal details including full names, place and date of birth, qualifications, previous employment and experience, telephone number, present salary, date of availability, names, e-mail addresses and telephone numbers of at least three referees.

Only shortlisted candidates will be responded to. The closing date for the receipt of applications is **Monday, 5 August 2024**.

For more information, phone (66210) 7531-2, 7622, 7623, 0772 154 882-9.
